Challenges

[/vc_column_text][vc_empty_space height="23px"][/vc_column_text]

Without the correct support Schools can often find themselves with more disadvantages due to ICT than advantages, do any of these occur at your school?...

[/vc_column_text][vc_empty_space height="20px"]

Schools can't afford to change and develop

[vc_empty_space height="20px"]

Schools can't deliver this part of the curriculum

[vc_empty_space height="20px"]

Schools don't have a clear understanding of what is the current state of their ICT and how to improve

[vc_empty_space height="20px"]

Not sure how you can secure and maintain 'best value'?
