Budgets

[/vc_column_text][vc_separator type="small" position="center" gradient_color="yes" up="8" down="20"][/vc_column_text]With more and more cost-savings needing to be made, a lack of investment available, Protek's budget-friendly services allows for migration from the

traditional Cap-Ex model schools are accustomed to an Op-Ex model. Predictable, fixed, monthly costs give immediate access to equipment and solutions that may be unavailable if capital expenditure is the only funding option.

Support

When looking for a support provider to build a long-term partnership with the reassurance that a consultant can be on-site working towards a resolution in as little as a few minutes is invaluable. Over and above the immediate remote support we provide to all of our customers, if the issue requires onsite intervention at your school, schools can rest assured Protek will be quick to respond and easy to communicate with Quick Resolutions = Happy Staff. Happy Staff = Great Learning.

Our staff have experience of working in and around schools and organisations across Berkshire and the South of England.

Reliability

Monday morning and you can't log on.... For teachers that's what nightmares are made of and as ex-Teachers and ICT Managers ourselves we know how that feels. Which is why with the latest technology, proper setup and management our proactive approach helps ensure no unwanted downtime occurs so you can

sleep easier knowing your technology is one less thing to worry about.

Security

With over 35 years' experience in the technology industry, and with some of our staff having worked for Schools for over 15 years, we pride ourselves on connecting with our customers needs and aspirations whilst working to the ever-increasing security guidelines that today's environment presents. This knowledge allows Protek to confidently offer the best products, solutions and managed services with the best service, whilst maintaining peace of mind for our customers that security is a top priority. Keeping students and staff safe whilst online and preventing any unwanted activity on your network.

Flexible and Scalable

In today's constantly changing world, the ability to have choice and flexibility is vital. And there's no exception when it comes to your ICT Partner, which is why all our services have flexibility built in. We adapt with your school and guarantee your technology is at the forefront of innovation with every solution we provide.
